How To Signup

Using SprinklerTraining.com is really easy. Below are step-by-step instructions on how to get started satisfying your continuing education requirements.

1. Click on the Register link in the Navigation section to the left. Complete the registration information and click on the Submit button. Be sure to write down the User ID and Password you selected during registration. You will need these two items each time you return to the web site and login.

   SprinklerTraining.com is not the course provider or instructor, but simply the mechanism for trainers to provide their courses online. You must register with SprinklerTraining.com before you may signup for a course.

2. After completing the registration you will automatically be logged into the site. Once you are logged in, the Course Administration link will appear in the Account Login section to the left. Click on the Course Administration link to view a list of the available courses.

3. If you have already signed up for a course, click on the Continue Course button to return to the class. If you are signing up for a new course, click on the Signup button to the right of the class you would like to take and continue with step 4 below.

4. Complete the credit card payment information and click on the Signup for Course button.

5. On your credit card receipt page, click on the "Click here to start the course" link to begin the class. You will be taken to the Course Navigation System where you can select a chapter and topic and begin a new learning experience.

If you remain inactive by not clicking on a page or refreshing a page for more than twenty minutes at a time, you will automatically be logged out of the system. You will need to re-enter your User ID and Password in the Account Login section in the Navigation bar to return to the course.

Thank you for selecting SprinklerTraining.com for your continuing education needs. We appreciate your business and hope you enjoy your online training experience.
